

TASKI dorsalino

Highly efficient backpack vacuum cleaner

The TASKI dorsalino brings you:

- Fatigue-free cleaning
- Quiet operation
- Power & efficiency
- Versatility

Versatility

TASKI dorsalino is a highly versatile machine which is ideal for cleaning of congested areas such as stairs, theatres, buses, stockrooms, etc. A wide range of accessories are available that can be carried along in the accessory holder belt for fast access while working.

Fatigue-free cleaning

The lightweight and ergonomic backpack system, which can be adjusted according to the operators preferences, makes working with the TASKI dorsalino convenient and therefore increases productivity.

Power & efficiency

The powerful, efficient & durable vacuum motor combined with the various accessories, guarantees excellent results and efficient operation on all types of soft and hard floorings.

Quiet operation

The low sound level makes it comfortable to use, with minimum disturbance to others.
