

TASKI tapiset 70

Brush vacuum cleaner for large areas

The TASKI tapiset 70 brings you:

- Increased efficiency
- Ergonomy and simplicity
- Maximum versatility
- Improved air quality

Increased efficiency TASKI tapiset 70 is a powerful brush vacuum cleaner for efficient daily cleaning of large carpet areas e.g. in airports, hallways and corridors. With a working width of 70 cm and durable dual vacuum motors, the productivity of the machine is unmatched (theoretical productivity 2500m²/h).

Ergonomy and simplicity The adjustable operator's handle and ergonomic design makes vacuuming more comfortable. It is easy to manoeuvre, simple to control, with very little training required. The brush stops turning when the handle is released. Wear indicators on the brush indicate when it is time for replacement.

Maximum versatility

A flexible hose allows areas above the floor to be easily cleaned. A variety of accessories come as standard with the machine and the height adjustable brush allows efficient vacuuming on different types of carpet.

Improved air quality

Utilises industry leading four-stage filtration system consisting of: filter paper dust bag, washable cloth filter bag, motor filter bag and motor exhaust air filter.
