

TASKI vento 8

TASKI vento 8 brings you:

- Multi functional handle
- Improved air quality
- Easy to manoeuvre castor system
- A number of little extras

Multi functional handle

The functional handle design incorporates a number of features including an intuitive opening mechanism, ergonomic foot operated on/off switch and a convenient cable tidy.

Improved air quality

Machines utilise industry leading filtration system consisting of; new disposable fleece bag, filter cloth, motor protection filter and optional exhaust filter. This results in significantly improved air quality during and after the vacuum operation as well as increased motor life.

Mains powered tub vacuum cleaner

Easy to manoeuvre castor system.

The use of two fixed rear wheels and two freely rotating castors ensures maximum stability and manoeuvrability of the new vacuum cleaner.

A number of little extras

The new machine features a mounting fixation for attachments to ease storage as well as a plug holder to secure the detachable power cable.

Technical Data

Dust bag capacity	8 litres
Bag type (Paper/Fleece)	Both
Nominal consumption	900 W
Voltage	220/240 V
Weight with cable	6 kg
Sound level	61 dB(A)
Vacuum	17 kPa
Max air flow	55 l/sec
Filtration (stages)	4 (5 inc exhaust filter)
Cable length	10.5 m
Hose length	2.2 m
Suction tubes	Metal
Floor tool width	270 mm
Dimensions	420x390x340 mm
Protection Class	Class II
Exhaust filter option	Yes
Hepa Option	No
Approvals	CE
