

## TASKI ergodisc 200

Low-speed single disc machine - for cost efficient standard speed cleaning

JohnsonDiversey's TASKI ergodisc brings you:

- Ergonomics
- Safety
- Simplicity
- Versatility

The ergodisc 200 is especially suited for the following tasks:  
- Wet scrubbing - Stripping - Buffering - Spray cleaning  
- Wet shampooing.

**Ergonomics:** better working conditions improve productivity through:

- anatomically formed grip
- adjustable handle bar height
- low vibration level
- low noise level
- soft start characteristics

**Safety:** creates a safer working environment through:

- hand protection due to closed handle
- high electrical safety due to double insulation
- double safety lock

**Simplicity:** easy of use results in improved efficiency through ease of:

- training and operation
- attaching accessories, no tools required
- storing and transporting, enabled by a foldable handle and removable weight

**Versatility:** multi-purpose, cost efficient machine:

- adaptable to many different cleaning tasks
- full range of accessories available
